**February 2013**

**It has been an eventful last twelve months as I had yet another move back to my original premises which was totally renovated after the disastrous floods of November 2009 and which now provides a far brighter and almost 50% bigger area from which to run the business.**

**To those of you in Ireland I would suggest a personal visit to look through the huge amounts of material available not only Irish stock but also some of the world wide material I have accumulated over the years. Combine it with a weekend in Cork city at any one of the top class hotels and experience real hospitality.**

**The list that follows has probably one of the best selections I have offered in many years and should hopefully have something for everyone. There are many expensive items but as always there is a good range of items that will not break the bank. In addition there is a separate booklet with colour photos of many of the items. Payment is accepted by cheque, Visa or Mastercard or bank transfer. If you would like to spread your purchase this can be done over four payments for any amounts over Euro 1000. Remember also that all purchases over Euro 500 qualify for a 20% discount.**

**At present I can also supply by E Mail lists from the following areas: Postal History, First Day Covers, GB used in Ireland, Political Labels, Low Value Overprints, High Value Overprints, Definitives, Commemoratives, Airmails, Postage Due Labels, Cinderella, Revenues, Railway Letter Stamps and Exhibition Souvenirs.**

**I hope that you will enjoy this listing and that you will find something of interest. If you would like to join the E Mail list and get first option on all the Irish material I obtain then please send a request to [sales@ravenstamps.com](mailto:sales@ravenstamps.com).**

**With best wishes for an enjoyable year**
